Why Should I Join?

All employees retired from the City of Virginia Beach are eligible to become members. This includes Sheriffs and Courts.

The Mission of the VBREA is to enhance the quality of life for its members. The Association organizes activities of special interest to retirees, establishes and maintains a liaison with appropriate city staff to assure retiree interests are being recognized, and provides a channel of communication through which interests and concerns can be represented to the city administration.

Annual membership dues for members are \$12.00 and are due at the time you join the association. An invoice will be sent to you each November for the upcoming year's dues. Dues help cover the operating expenses of the organization.

VBREA hosts monthly luncheons for you to reconnect with other retirees, learn about unique happenings across the city, and gain insight on city processes that may affect you as a citizen and/or a retiree.

You can join the association at any time by completing the membership application on this brochure. The brochure is also available on our website.
